EDUCATIONAL INTERNET ACCOUNT
 through
 West Virginia Department of Education (WVDE)
 West Virginia Network for Educational Telecomputing (WVNET)

Computers, networks and on-line access are used to support learning and to enhance instruction. These tools and connections to the Internet allow communications with millions of users through hundreds of thousands of networks. Your application for an Internet account indicates you will comply with the attached use policies and will be a responsible, efficient and ethical user. Failure to adhere to the policies and guidelines will result in the revocation of the use privileges.

With connections to computers and people all over the world also comes the availability of material that may not be considered to be of appropriate educational value. On a global network, it is impossible to restrict access to controversial materials. It is the responsibility of the student, parent, teacher and administrator to ensure that access to telecommunication networks and computers provided by the educational system is not abused.
